Foreword from the Learning Director

A Year of Growth and Achievement at iStudy

As we reflect on the past school year, it's heartening to witness how iStudy continues to flourish both in size and accomplishments. This year has been marked by significant achievements across our academic and extracurricular activities, showcasing the diverse talents of our students.

Our junior karate students have made remarkable progress, demonstrating discipline and skill in their training. Additionally, our robotics program has excelled, with students showcasing innovative projects that highlight their creativity and technical abilities. The arts have shone brightly as well, with beautiful performances in singing and dancing, alongside impressive home education projects that have captured the spirit of our school community.

Foreword from the Learning Director cont.

We also extend our heartfelt congratulations to our Checkpoint students, as well as those in the IGCSE, AS, and A Level programs, for their dedication and hard work in preparing for their exams. Their commitment to academic excellence is truly commendable.

Another highlight of the year was our memorable trip to Dubai, which provided our students with invaluable experiences and lasting memories.

As we look ahead to 2026, we are filled with excitement and anticipation for what the future holds. Together, we will continue to nurture a culture of learning and achievement at iStudy.

Here's to another successful year ahead!

A very warm welcome

to our iStudy community, and the launch of our school magazine, a platform where we can share updates, achievements, and stories that showcase the excellent work of our students, teachers, and staff.

The aim is to create networks and connections within our existing community, as well as to provide a snapshot of what our school is all about.

At iStudy Centre, we strive to give our students the best direction and guidance in their individual academic journeys, as well as nurture them, so they realise that each one is different and can own their differences proudly!

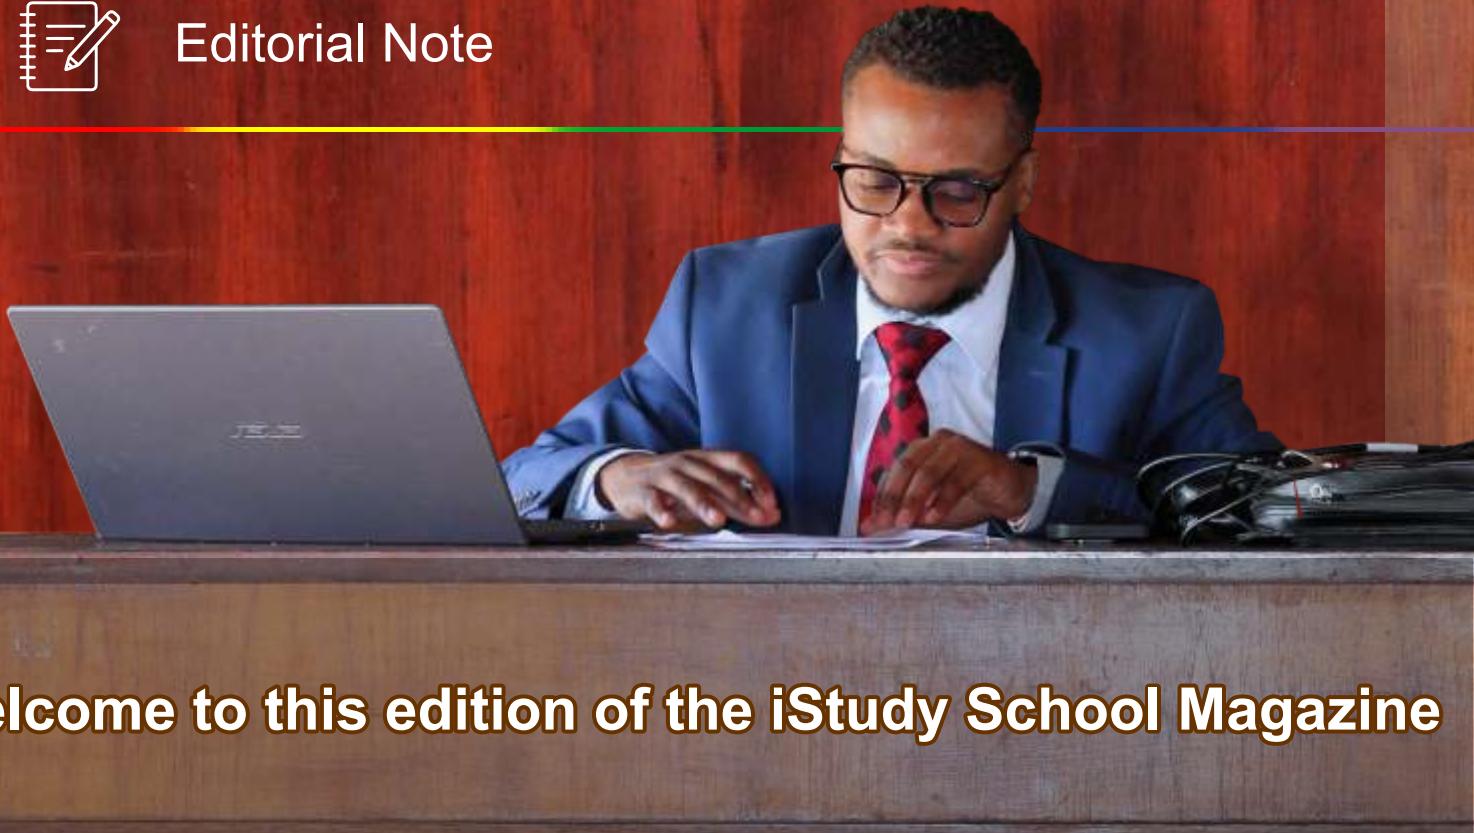

From the High School Director's Desk cont.

We hope you enjoy reading about the exciting things happening at iStudy Centre and the ways we encourage our talented students.

Thank you for your continued support, and we look forward to seeing our magazine grow and evolve with our school.

Faaiza Suleman
High School Director

Learn with pride.

Welcome to this edition of the iStudy School Magazine

a platform where our learners' voices, achievements and creativity take centre stage.

This publication is more than just a collection of articles; it is a celebration of our school's spirit, values, and commitment to excellence.

In future editions, you will find inspiring stories of students who are pushing boundaries, reflections on academic and extracurricular life, and creative pieces that showcase the immense talent within our community. Each contribution is a reminder that learning is not confined to the classroom; it thrives in curiosity, collaboration, leadership, and the courage to express oneself.

Editorial Note cont.

As a school, we continue to nurture well-rounded learners who are confident, thoughtful, and ready to engage with the world. This edition reflects that vision. From insightful commentary to achievements worth celebrating, we hope this magazine not only informs but also motivates each reader to strive for greater heights.

A heartfelt thank you goes to our dedicated contributors, teachers, and editorial team who worked tirelessly to bring this issue to life. Your passion for storytelling and excellence is truly commendable.

We invite you to enjoy, reflect, and be inspired. Happy reading!

Charles, Editorial Coordinator

📝 (some of the) iStudy Centre Staff

About the iStudy Centre

We are a private, accredited educational centre offering the Cambridge syllabus.

The iStudy Centre offers

Junior School Classes from ECD A & B and Grades 1 ~ 7,

and **High School Classes** from Forms 1 ~ Upper 6.

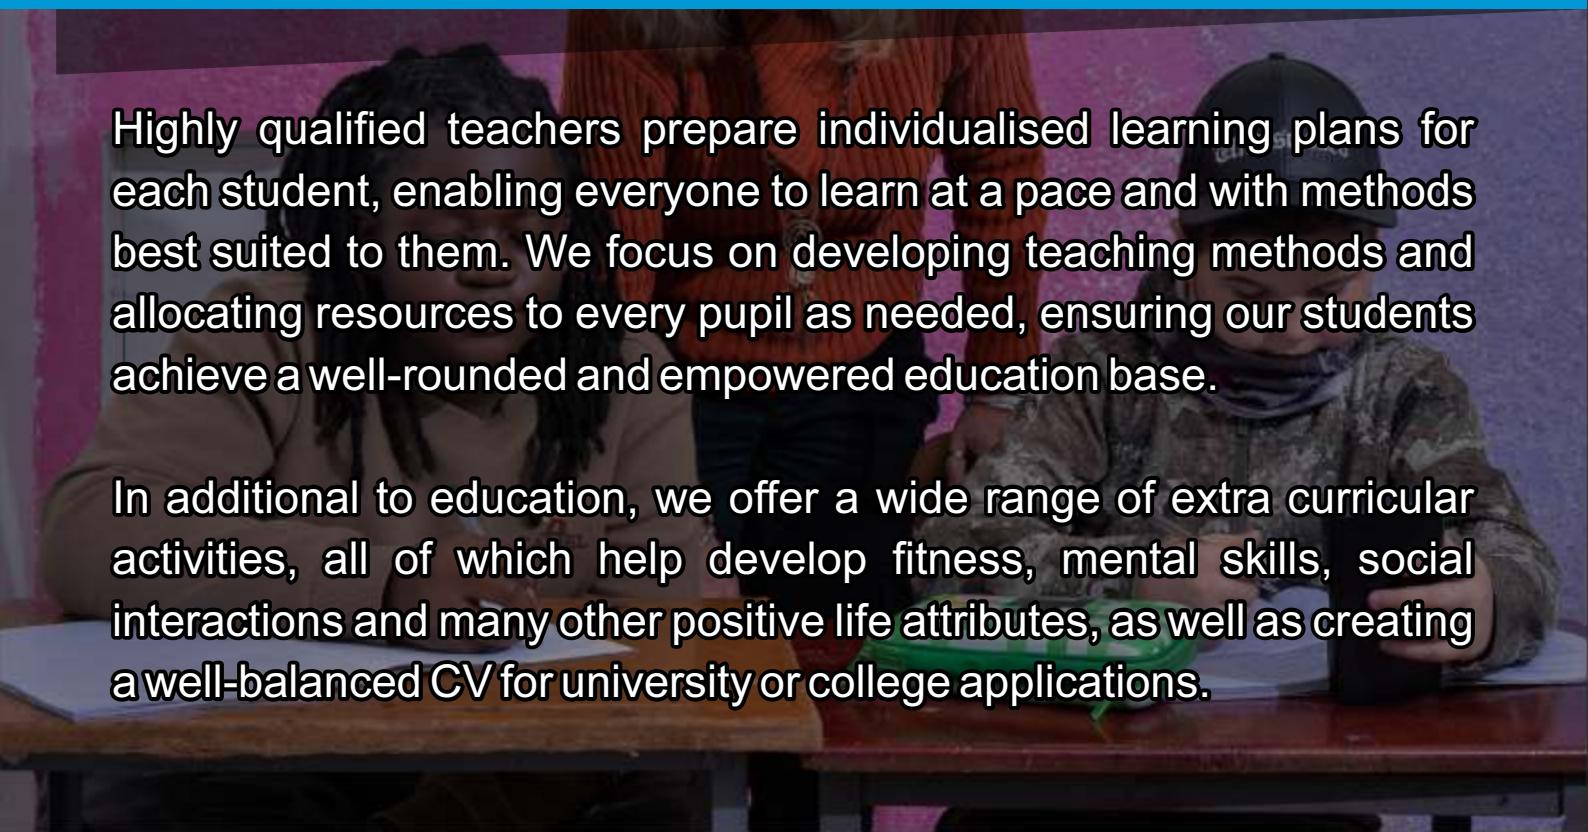

Qualified teachers, personalised study plans, individual attention and Cambridge Checkpoint, IGCSE, AS & A level examinations guide our students to their full potential in a safe, nurturing environment.

Our Vision

We are committed to being a leading educational institution, providing a safe and inclusive environment where every student can thrive academically, socially and emotionally.

Our Mission

To inspire and guide children to be more than they thought they could be, encouraging students to be the best version of themselves possible and achieve their full potential, maturing into kind, confident, responsible adults.

Highly qualified teachers prepare individualised learning plans for each student, enabling everyone to learn at a pace and with methods best suited to them. We focus on developing teaching methods and allocating resources to every pupil as needed, ensuring our students achieve a well-rounded and empowered education base.

In addition to education, we offer a wide range of extra curricular activities, all of which help develop fitness, mental skills, social interactions and many other positive life attributes, as well as creating a well-balanced CV for university or college applications.

Extracurricular Activities: clubs, societies, sports

Extracurricular activities offer numerous advantages for students, impacting their academic performance, personal development, and future prospects. They provide opportunities to develop essential life skills, enhance social skills, and build confidence, all while potentially improving academic outcomes and reducing stress.

Furthermore, Colleges and Universities often look favourably upon students who demonstrate a commitment to extracurricular activities, as it indicates well-roundedness and a willingness to engage in activities beyond academics. The skills developed through extracurriculars, such as leadership, teamwork, and communication, are highly valued by employers and can be applied to various career paths.

What we offer:

iStudy's Interact Club - a platform for students to engage in meaningful service and make a positive impact on their communities.

iStudy's Debate Club - a platform for students to engage in critical thinking and public speaking through structured debates on various topics.

iStudy's Law Society - an activity focused on educating students about legal principles, the justice system, and enhancing their understanding of laws and rights.

Extracurricular Activities cont.

iStudy's Journalism Club - a club focusing on developing journalistic skills, such as writing, interviewing, and editing, and learning about media ethics, media literacy, and the role of journalism in society.

Kids karate with the Wild Cats Karate Club is the ideal sport for building self-confidence, discipline and courtesy, while learning basic self-defence skills.

E-Lab Robotics provides educational Robotics, and immersive technologies, teaching children the secrets of assembling robots.

iStudy Dance Program - our modern & Afro dance class for kids combines contemporary dance styles with the rich rhythms of Afro dance, fostering creativity, confidence, and coordination.

The iStudy Centre also offers scripture union, chess, science club, netball, sewing & knitting, soccer, basketball, and art.

CHARITY DRIVE

 iStudy Centre
620 Rivonia Drive, Mount Pleasant

ITEMS NEEDED

- ▶ Food
- ▶ Clothes
- ▶ Stationery / Toiletries
- ▶ Sanitary wear (Pads)

For More Information: +263778066804 (Charles) +263783343854 (Rose)

At the heart of our school community lies a simple yet powerful belief: every act of kindness, no matter how small, can change a life. Our Charity Drive was founded on this spirit of service and responsibility. We are a student-led initiative committed to making a positive and lasting impact within our school, our neighbourhood, and the wider community.

We are a team of passionate students and teachers from our Interact Club who have come together with one

mission - to uplift and support those in need. Our group represents all year levels, united by compassion, teamwork, and the shared dream of creating a more caring world.

Throughout the year, our Charity Drive organises various activities, including:

1. Food and clothing collections for local orphanages and shelters;
2. Fundraising events that support community projects;
3. Awareness campaigns on issues affecting vulnerable groups;
4. School-based initiatives, such as stationery and uniform donations for underprivileged learners.

Each project is carefully planned, student-driven, and grounded in our commitment to real, sustainable change.

We envision a community where generosity is a shared value, where students understand the power of giving, and where our school actively transforms lives. Our goal is to inspire students to look beyond themselves and see the beauty in service.

Our work is only possible through the support of our school community. Whether by donating, volunteering, or spreading awareness, every contribution helps us move closer to a more caring society. Together, we can create hope, inspire change, and make a meaningful difference.

Because kindness is a gift everyone can afford to give - and its impact lasts forever.

Charles and Rose (Interact Club Facilitators)
